John Faso has always voted for and supports guaranteed coverage for individuals with preexisting conditions (H.R. 1121). Democrat Antonio Delgado: No	Republican John Faso: Yes
Source: delgadoforcongress.com/blog/issue/healthcare/	Source: HR 1628, 5/4/17

FALSE

John Faso has never voted to cut Medicaid funding. Fact is he supported the longest extension of the Children's Health Insurance Program for children in low income families in history. (H.R. 1892). Antonio Delgado opposes enhanced work and training requirements for able-bodied adults receiving SNAP benefits to get them the skills for today's jobs (River Reporter, 8/29/18).

A candidate's position is sometimes more complicated than a "yes" or "no." We have done our best to represent each candidate in a fair and reasonable way. But if you want more detailed information, you can visit the candidates' websites at delgadoforcongress.com or johnfaso.com where additional information on these issues is available. We hope this information is useful.

Sincerely,
